Three Rivers College recognizes the importance of maintaining the confidentiality of records for each individual student that presents authentic evidence of the events and actions, which both contribute to and confirm the student's educational progress; and to facilitate the intelligent and purposeful direction necessary to the achievement of the educational goals of the student in a college setting.

State and Federal Laws govern the release and disclosure of student records maintained by the College. It is the responsibility of each College employee to maintain the confidentiality of student records at all times. No information other than directory information, as defined below, may be released without the signed written consent of the student. The release of non-directory student information is a violation of this policy and applicable State and Federal Statute and shall result in disciplinary action and may include termination.
