The college is accepting applications for the following grant-funded position:

**Instructor in Industrial Technology**

Full-time, twelve-month faculty position. This position will teach various college credit courses within the Industrial Technology program in the areas of, but not limited to, Fundamentals of Mechatronics and Industrial Maintenance, Industrial Safety, Fluid Power Systems, Electronics and Electrical Circuits, Programmable Logic Controls, Motors and Controls, and Automation & Robotics. In addition, this position will be responsible for instruction and curriculum development, recruitment and advising for the program as well as keeping the program current with trends in technology. The position may include teaching at off-campus sites and/or evenings and weekends. Some travel may be involved to teach classes at plant sites, pursue training to acquire industry recognized credentials, participate in professional development, or to attend grant related meetings. This position is grant funded through September 2017.

Required qualifications: A minimum of 3 years of experience in a modern manufacturing environment is required. Associate degree in the field is required; Bachelor’s degree or higher in a related Industrial Technology field is preferred. The successful candidate is required to possess strong interpersonal skills, good communication and computer skills, a student–centered philosophy, and excellent organization skills.

Salary is competitive. Excellent fringe benefit package including, but not limited to health, dental, vision, and life insurance; sick and personal leave; and the Missouri Public School & Education Employee Retirement System. Complete applicant file will include the Three Rivers College application form (available at trcc.edu/employment), resume with names/phone numbers of three references, copies of all transcripts, and cover letter explaining interest in the position and in working at Three Rivers College. Review of completed applications will begin immediately and continue until appointment is made. Incomplete files will not be acknowledged or reviewed. We do background checks; E-Verify participant.
