Three Rivers College has established both quantitative and qualitative measures for evaluating the progress of Federal Student Aid recipients to meet specific Financial Aid Satisfactory Academic Progress (FASAP) in accordance with Federal Student Aid Regulations. The Three Rivers College Office of Financial Aid monitors Financial Aid Satisfactory Academic Progress (FASAP) for financial aid recipients at the end of each semester. The purpose of this regulation is to establish policy guidelines for Three Rivers College to ensure compliance with the minimum statutory and regulatory requirements for continuation of Federal Title IV eligibility.

The following information describes the Three Rivers College standards for maintaining Financial Aid Satisfactory Academic Progress (FASAP) requirements for financial aid eligibility:

- **Maximum Timeframe:** Financial aid recipients must complete specified degree program within 150% of the published length of the program. Once a student has reached the maximum timeframe, the student will no longer be eligible to receive financial aid without an approved Timeframe FA Extension Request (Effective Summer 2016.) Students who graduate with a one year certificate or Associate Degree will be considered to have met the pace maximum (2019).
- **Credit Hour Completion (Quantitative):** Complete (67%) of all attempted credit hours
- **Grade Point Average (Qualitative):** Maintain the required cumulative grade point average (GPA) listed below in Table A based on total hours attempted.

**Table A**

<b>Credits Attempted</b>	<b>GPA Required</b>
0-15	1.50
16-30	1.70
31-44	1.90
45+	2.00

A student must meet Financial Aid Satisfactory Academic Progress (FASAP) by completing their degree program within the specified period, demonstrate they are making progress towards their degree by earning a minimum number of credit hours, and achieving the required GPA as stated herein based on total hours attempted.

**Note:** Grades of A, B, C, D, and F are counted when determining a student's cumulative GPA for financial aid. Grades of I, P, NP, CR and W are not counted when determining a student's cumulative GPA for financial aid.

All classes with a grade of A, B, C, D, F, P, NP, CR, W and I are counted in the pace calculation. For FASAP, all Transitional (Developmental) courses are computed in the credit hours attempted and completed.

No additional time will be allowed for program of study completion if a student changes majors or programs. All courses in all semesters are counted in the pace maximum. Credit hours transferred from other colleges and universities will be included in the total credit hours attempted at Three Rivers College and will be counted in the credit hours toward the pace maximum.

**New Financial Aid Recipients and Transfer Students**

Students who attend Three Rivers College without financial aid and then apply for assistance will be required to meet the satisfactory academic progress standards as if they had received Federal Student Aid from the beginning of their attendance at Three Rivers College. For Financial Aid Satisfactory Academic Progress purposes, students will be eligible for Federal Student Aid during their first semester of attendance and will have their eligibility evaluated at the end of the first semester they receive Federal Student Aid.

For transfer students, all credits transferred in and accepted by the college are used in the calculation of student aid eligibility.

**Procedures for FASAP Statuses**

**Financial Aid Warning**

Students who do not meet either the pace or GPA requirement will be placed on a warning status. During the warning status, a student may continue to receive federal financial aid. If a student fails to meet financial aid satisfactory academic progress during the warning semester or any subsequent semesters, federal aid will be suspended. Students will be notified of the warning status via their college student email account.

**Financial Aid Suspension: Unsatisfactory “U”**

Unsatisfactory (U) is a status assigned to a student who fails to make financial aid satisfactory academic progress for any subsequent semesters following the warning status. Students who have an unsatisfactory status are not eligible for federal funding. The student will be notified of the unsatisfactory status via their college student email account.

A student may submit a Suspension Override Request for review to determine if federal financial aid eligibility may be reinstated. Requests for an override of financial aid suspension may only be considered for extenuating circumstances.

Extenuating circumstances may include, but are not limited to: personal illness, injury or accident, serious illness or death of close family member, unforeseen, undue hardship, and demonstrated academic improvement. Circumstances under which a request may not be granted include, but are not limited to: poor choice of classes, employment obligations, financial difficulties, loss of transportation, relocating, childcare difficulties, loss of internet service, and lack of motivation or interest.

**Financial Aid Probation**

Financial Aid Probation is a status assigned to a student when the Suspension Override Request has been approved. Students on probation may continue to receive aid; however, if they fail to

meet financial aid satisfactory progress in subsequent terms, federal aid will be suspended and the student may submit a Suspension Override Request.

### **Financial Aid Extension**

Financial Aid Extension is a status assigned to students who graduate or have exceeded the maximum number of allowable credit hours for their program of study. The student will no longer be eligible to receive financial aid without an approved Timeframe FA Extension Request (Effective Summer 2016).

### **Suspension Override Request and Timeframe for Financial Aid Extension Request Process**

The process to request a waiver or extension request for the loss of Federal Student Aid benefits will be maintained by the Office of Financial Aid and communicated to the appropriate students at the end of each semester.

### **Denial of Request**

If a student's request is reviewed and Federal Student Aid is not reinstated the student may appeal the decision in accordance with the SR 2140 Student Appeals.

### **Reestablishing Eligibility**

The student may reestablish eligibility by regaining the cumulative GPA as indicated in Table A and meeting the 67% pace for all hours attempted, or with an approved suspension override request or appeal.

Once the student has obtained the required pace and GPA requirement a Suspension Override Request must be submitted for review indicating this has been completed. The student will not be eligible for Title IV funding until eligibility is regained or an approved suspension override request or appeal is granted.

### **Repeating Coursework**

Students may receive federal funding for one repetition of a previously passed course. For example, if a student passes a course once and then is repaid for retaking the course, the student cannot be paid to take the course a third time. A course is considered passed if the student receives a grade of D or better. A student who does not receive a passing grade is not limited on the number of attempts and may repeat a failed or withdrawn course until it is passed.

### **Dropping Classes**

Dropping classes can affect the student's financial aid eligibility for specific programs, prevent student's from meeting the financial aid satisfactory academic progress requirements or student's being responsible to repay financial aid funding. Before dropping courses, it is strongly recommended to contact the Office of Financial Aid.

### **Withdrawn Courses**

Withdrawn courses will not be included in the student's GPA; however will be calculated in total number of hours attempted.

### **Transitional/Remedial Courses**

Transitional and remedial courses will be included in the GPA calculation and hours attempted for financial aid purposes.

### **Incomplete Courses**

Incomplete grades will not be included in the GPA calculation for financial aid until a final grade is assigned but will be included in the hours attempted.
