Commencement Protocol

At Three Rivers College, Commencement is the most significant and joyous ceremony of the academic year. As such, the College requests everyone's help in making the Commencement ceremony as dignified and meaningful as possible as we celebrate the accomplishments and growth of each member of the graduating class.

Out of consideration for all our graduates and all those attending Commencement, as well as for safety reasons, please keep the following in mind:

- Before the ceremony begins, turn off your cell phones and other electronic devices.
- Remain seated during the ceremony.
- Hold your applause until all the graduates have crossed the stage and refrain from using noisemakers.
- Only those who are part of the ceremony will be allowed on the floor of the arena during the ceremony.
- Guests will not have access to the floor of the arena and should keep the aisles clear.
- Family and friends wishing to take photographs of graduates can do so either from their seats or before and after the ceremony.
- At the conclusion of the ceremony, please remain seated until all graduates, faculty, and stage party have exited the arena.

After the floor has cleared, audience members should exit upstairs through the lobby. Please do not go to the floor of the arena after the ceremony as there is no public exit from the floor.

We have a tent set up outside on the south end of the building where you can meet your graduate.

COMMENCEMENT: OUR MOST IMPORTANT EVENT

The Commencement ceremony is the most important event of the year. The success of the ceremony is only possible because all employees are involved in the team to ensure our graduates are properly recognized. We are pleased to do so because we are proud of our graduates, whom we have come to know, encourage, challenge, assist, and now to cheer as they celebrate their achievements. We thank all those whose efforts have made tonight's Commencement a success.

FEATURED SPEAKER DR. RON WEBB

Our Commencement speaker is Dr. Ron Webb, the recipient of the Three Rivers College 2023 Distinguished Alumni Award. Webb, a resident of Poplar Bluff, is the Bishop of Mt. Calvary Powerhouse Church in Poplar Bluff.

A former Three Rivers basketball player, Webb got his first opportunity to preach during a tournament in Florida when Coach Gene Bess asked the freshman to give a Sunday devotion to the team. It was his first sermon.

After Three Rivers, Webb earned a bachelor's degree in Theology from the International College of Bible Theology, a master's degree in Pastoral Studies, and a Doctorate of Theology from Midwest Theological Seminary.

Webb founded the Heartland Family Center in 2007 as an emergency shelter and outreach ministry for families. He also created Covenant Ministries to advance God's kingdom by providing a fellowship where men and women find mutual encouragement, edification, counsel, and participate in leadership and ministerial training.

Webb is married to Georgia Webb and they have three children, Ronnie Jr., Tony, and Jackie (Webb) Brown. He has nine grandchildren.

NOTE: As final action cannot always be taken by the time this program goes to press, the list of degree and certificate recipients is tentative. The appearance of a name in this program does not necessarily mean that the person has received a degree from Three Rivers College. Conversely, the absence of a student's name does not mean the person has not been awarded a Three Rivers degree. The student's transcript is the official record of the College.

COLLEGE MACE

Leading the procession at Three Rivers College's commencement is the bearer of the College's mace.

A college mace is traditionally carried during formal academic occasions. The mace has long been used by colleges and universities in commencement exercises to symbolize the power and authority of higher education.

The Three Rivers College Mace and its stand were designed

and created by students in the Chaffee High School Industrial Technology Program, under the direction of instructor Jaron McMurry.

The Three Rivers Mace is made of Missouri Black Walnut, the state tree of Missouri. Embedded in the Mace is Mozarkite, the state rock of Missouri, in the shape of our state. Embedded in the stand is a President's Medallion.

ACADEMIC REGALIA

Because the oldest universities in Europe were closely associated with the church of the Middle Ages, both faculty and students regularly wore clerical-style garb. The wearing of academic attire was adopted in North America in colonial days by Kings College in New York (now Columbia University).

In 1895, American universities and colleges standardized their academic raiment; the resulting style followed the tradition established by England's venerable Cambridge University. On ceremonial occasions, the regalia comprises a gown, hood, and cap.

The gown is usually black, and the long, pouch-like sleeves of the master's gown recall a former utilitarian purpose – to

carry books! The hood, originally worn over the head in bad weather, is today worn around the neck to hang down the back. The colors in the hood lining are the colors of the school conferring the degree. The color of the border indicates the scholarly field of the wearer; for example, white for Arts and Letters, light blue for Education, golden yellow for Science, pink for Music, and apricot for Nursing.

The cap consists of a closely fitting headpiece with a broad, flat, projecting square top and a tassel. The latter may be black for all degrees and ranks, or golden thread if the wearer holds a doctor's degree.

INVEST IN THREE RIVERS COLLEGE

Consider investing in Three Rivers College and its commitment to:

- Helping students build brighter futures.
- Providing businesses with a well-trained workforce.
- Building partnerships that make Southeast Missouri a great place for all of us to live, work, and raise families.

Your investment in Three Rivers can be made as a remembrance, memorial, or honorarium to honor a person or occasion. You can donate for a specific purpose, such as a building or a scholarship, or for the general benefit of the College. Gifts to the College can be made immediately or as part of a deferred plan and can be cash, property, life insurance, stocks, bonds, leases, bequests by will, or trusts. We have ongoing opportunities for donors to purchase memorial bricks and benches for our Poplar Bluff campus, as well as books to enhance our library offerings to students. For more information, go to trcc.edu/give or contact the Development Office.

Tax-deductible donations can be made to the Three Rivers Endowment Trust, a 501(c)(3) not-for-profit organization designated by Three Rivers College to receive and manage gifts on behalf of the College.

Learn more about the Three Rivers Endowment Trust, as well as other development and alumni efforts at trcc.edu/alumni. For more information on supporting Three Rivers with an investment, call the Office of Development at 573-840-9077.
