Your 2026-2027 Free Application for Federal Student Aid (FAFSA) was flagged by the U.S. Department of Education regarding an unusual enrollment history. Some students who have an unusual enrollment history have legitimate reasons for their enrollment at multiple institutions. An unusual enrollment history requires a review to determine whether there are valid reasons for the unusual enrollment history and to ensure appropriate use of Title IV funding. This must be resolved before you will receive federal financial aid.
