Student Name: \_\_\_\_\_ Student ID #: \_\_\_\_\_

Degree/Certificate Program: \_\_\_\_\_ Program Advisor: \_\_\_\_\_

Three Rivers College supports the concept of life-long learning and awards academic credit to students for prior learning in congruence with the Missouri Credit for Prior Learning Model. Three Rivers College cannot guarantee the transferability of Credit for Prior Learning. If planning to transfer to another college or university, students should contact the receiving institution to determine the potential of acceptability for transfer of Credit for Prior Learning. All documentation associated with CPL must be no older than 5 years with exception to military credit and some articulation agreements which do not have a time limit on acceptance.

### Requirements for Alternative Credit:

- Currently enrolled as a degree seeking student at Three Rivers College. Successfully completed a minimum of 1 credit hour from Three Rivers College. ACC will not be transcribed until completion of credit hour.
- Completed Student Assessment submitted to the Career Services Office.
- Documentation of Prior Learning attached to Student Assessment Form.

### Types of Alternative Credit – Check all that apply:

**Military Training:** Credit will be awarded based on credit recommendations recognized by the American Council on Education (ACE) and for credit recommendations from military training schools.

**Industry Credentials and Related Licenses or Certificates:** Credit may be awarded to students who have completed training, certifications and obtained licenses through the industry.

*Note: Alternative Credit will be awarded as an exact match for industry training with college credit based on The American Council on Education's College Credit (ACE) Guide, other training guides, or in cases where the specific license is the purpose of the course(s).*

### Describe Prior Learning (attach additional pages as necessary)

I understand that the residency requirement (15 credits taken at Three Rivers College) must be met in addition to any alternative college credits that may be awarded to be eligible for graduation.

*Students seeking Credit for Prior Learning (CPL) must provide substantial documentation regarding training, certification or experience that would relate to the specific college-level course in their program of study. The documentation must be recent enough to demonstrate currency in the field of study in which CPL is pursued. Military credit does not have a time limit on acceptance for college-level learning. A student should speak with the Coordinator of Career Services and their program advisor for more specific information regarding fees, documentation, timeline and the process for the evaluation of prior learning.*
