PROCESS

Get ready for a hands-on money management extravaganza at the Bite of Reality Fair! We aim to empower students with the skills they need to become financial whizzes.

First, our trusty counselors will guide students through downloading the Bite of Reality 2 app (no personal info tracking, we promise!). Just enter the sponsor code **RMJ** and the event code **0055bd**, answer a quick survey and type **START**.

Next, it's time to see what fate has in store! The app randomly assigns each student a career path, income, family size, monthly student loan payment, insurance co-pay, and credit card debt.

As students walk through the booths, they'll encounter required expenses for the whole family, not just themselves. The app will only let them move on once they've met the current category, and once they do, a checkmark will appear at the bottom of the screen.

Students will get a taste of managing their finances by tracking their checking account balance and spending across nine categories (including Clothing, Entertainment, Groceries, Household Needs, Housing, Kids Care, Shopping, Transportation, and Credit Union).

And remember the fun surprises! The Credit Union booth is here to answer questions, while the Fickle Finger of Fate will bring unexpected windfalls in expenses and gifts. Plus, BORA is ready to unblock any obstacles in students' paths. Let's get honest about finances!

WHAT TO EXPECT

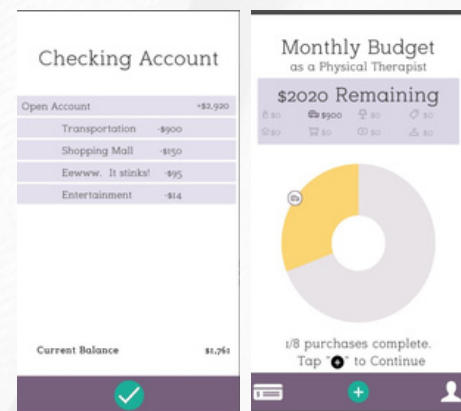

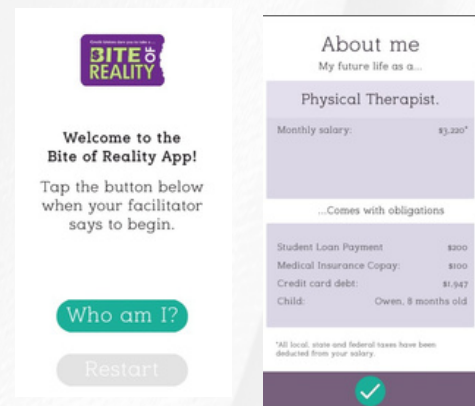

Picture your booth, fully stacked and ready for action! From must-have supplies to nifty gadgets, each item is tagged with a code for students to punch into the app.

It gets easier the more booths the student visit.

Buckle up for a bumpy start! The first 15 minutes will be a Q&A frenzy as the students soak it all in. But, once they get the hang of things, it'll be smooth sailing.

You will feel exhilarated after working with the students as you teach them how to make wise decisions.

Kudos to you for joining us on this exhilarating journey! Without your involvement, the Reality Fair's success would have been a no-go. Thank you for taking the time to make a difference in these students' lives.
