Dear Three Rivers College Parent:

To assist you in paying for the costs of college, you may want to consider a Federal Direct PLUS Loan (Parent Loan for Undergraduate Student). This is a federally sponsored loan for parents of undergraduate students and is used by many Three Rivers College parents to pay educational expenses. Parents of all income levels are eligible. However, there is a credit worthiness evaluation conducted by the Department of Education before the loan is approved. For additional information regarding interest rates, fees and borrowing limits please visit <https://studentaid.gov/app/launchPLUS.action>.

How to Get Your PLUS Loan

1. Go to <https://studentaid.gov/app/launchPLUS.action> to complete the following steps.
2. **Sign in using your Federal Student Aid ID (FSA ID)**
**Select Apply for Direct PLUS Loan/
Select Direct PLUS Loan Applications for Parent**
3. **If approved and you are a first-time borrower**, you must complete the Direct Plus Application/Master Promissory Note online on www.studentaid.gov.
4. **If approved and you are a serial borrower**, a message should indicate that you have a valid Master Promissory Note on file.
5. **All borrowers must complete the attached PLUS Loan Data Sheet and return it to the Financial Aid Office** along with the Direct Plus Master Promissory Note if you are a first-time borrower.
6. The Financial Aid Office will complete the Loan Certification process and you will receive a Notice of Loan Guarantee and Disclosure Statement indicating the amount and disbursement dates of your loan.
7. **If declined**, you are entitled to a free copy of your credit report to determine if it contains any outdated or erroneous information. Contact the Department of Education with any corrections or updates to your credit information if you wish to request a review of your application.
8. Another option, **if declined**, is to contact the Financial Aid Office to determine if your dependent student may be eligible to borrow additional unsubsidized loans.
